### Additional Information

We are 2 friends looking for an original trip with Wilderness, parks mountains and bears viewing...

**How can we help you in making Canada your next travel destination ?:**

- *We are interested in Hikes, wildlife, nature.*
- *The less crowds the better. Crowds are a no go*
- *Preferably campervan or mixture camping/lodges.*
- *We are Norwegian, so we have plenty of mountains and would like to experience something different and the great wide open.*
- *My husband gets seasick easily, so we can skip cruises.*
- *Guides are fine for some days, but we also like to go on our own.*
- *we prefer basic over posh, love to hike and prefer not to drive long distances every day.*
- *My plan is to present him with a convincing special trip that he can't say no to ;-).*
